

# How to Measure for Precast Concrete Steps

(USE 4 RISER STEP)  
EXAMPLE

## NOTE:

- 1) All steps are available in 48", 60", and 72" widths.
- 2) Platform depths are available in 12" increments; price will be the same as a 4-foot deck.
- 3) When measuring for steps, top of platform may be a maximum of 5" below threshold.

**3/8" Coupler Nuts are cast in both sides of step for rail mounting.**

**4" x 12" x 16" concrete blocks \$3 each if needed.**

**5' Frost piers (6" x 6") available at \$25 each; slug at \$3 each.**

**Site prep is not provided; if site is not prepared properly, additional charges may apply.**
